

EMBRACING OPEN DATA TO FUEL RESPONSIBLE INVESTMENT DECISIONS

How can ESG data help an investor make informed decisions?

Can we use free data within a computational analysis environment with statistical and data science tools to gain more insights?

Elevate your knowledge by joining the hands-on interactive presentation!

Wednesday

6th December, 2023

Time

15:30

Place

FAU-Erlangen, Nürnberg
Room LG 0.144

WITH
ROMAN KUNERT
Director, FORRS Partners GmbH
